

WAJAHATULLAH YOUNUS

ENTRY-LEVEL DEVELOPER

About Me

I am an enthusiastic and motivated Flutter developer currently enhancing my skills through a professional Flutter development course. Passionate about creating modern, user-friendly mobile applications, I have built several small projects to strengthen my understanding of app development, UI design, and state management. I am eager to apply my knowledge in a real-world environment, contribute to team projects, and continue learning and growing as a mobile app developer.
